Задание 4.

From: Lily of 2024
To: Lily of 2029

Dear future me,
I hope this letter finds you in good health. I'm glad that I can share my thoughts and aspirations with you. In this letter I will describe my wishes for future that I hope you've been able to fulfill.

To begin with, ~~I~~ I've finished making a step-by-step plan which will help me get fitter. As you know five years later, this plan includes going to the local gym to build muscles, counting calories and changing my diet, and attending weekly ~~psychotherapy~~ psychotherapy group ~~sessions~~ sessions to get rid of my permanent anxiety. Surely you remember Dr. Skootski and Ms. Marboro, health ~~professionals~~ professionals in my school. I've asked them for advice, and they both claimed that my plan was ~~workable~~ workable!

Undoubtedly, there's a long path ahead, but I'm sure I'll work it ~~out~~ out. I feel determined to overcome all my physical and mental health problems. By the way, I wonder how you feel now ~~and~~ and if you've ~~been~~ been able to do everything I wanted to. Have you lost weight? Do you still have issues with daily anxiety? Was it difficult to get used to new dietary habits?

Even though the path wasn't easy, I'm confident that you've cared about yourself. Thank you for all your hard work and self-discipline, and thank you for allowing yourself to have ~~some~~ rest when you needed it. I'm very proud of you. Keep up the self-care!

It's a pity you won't answer me. Nonetheless, I wish you success ~~in~~ in what you do. May your health journey be easy.

Love,

Lily from 2024
