Задача №4

Dear me,

It's a little awkward to write a letter to my future self, as I don't know what's my future going to be like. We can plan certain steps, but we can't predict what's coming next. Anyway, every letter starts with the greeting line, but I want to start with question: "How are you?". I hope this letter finds you well.

As I grew older, I began to realize that health isn't just physical, but also mental and emotional. I started to focus on incorporating more activities that promote well-being in all these areas. One of the biggest changes I made was adopting a healthier diet. I began to eat more balanced, unprocessed food and limit my intake of ~~st~~ sugar and fast food. This change has had sig significant impact on my energy levels and mood. I feel more energized and focused throughout the whole day. I have noticed an improvement in ~~my~~ ^{my mood} as well. In addition to my dietary changes, I've made efforts to maintain

a study-life balance and practice self-care routines, such as meditation and yoga. These activities have undoubtedly contributed to your overall well-being and improved mental health. You have shown great strenght and determination in facing the challenges that have come your way and I am impressed by how resilient you have been.
