My insane classmate

It was a dark rainy night. I couldn't sleep because my benign companion, my dog, was trying to jump on my bed. As he was too short, he didn't manage to do it. Meanwhile, my dad was watching a TV program. It was getting up my nose because I couldn't fall asleep.

Suddenly the door opened. It was my dad, he seemed a bit frightened. I asked him, "Dad, what is going on?" He responded, "Someone is yelling your name outside!" I immediately went there and saw my insane classmate who was deep in love with me. His name was Mike, he was very vociferous, offensive and sagacious. I called him a "Smart alerk". Mike is a true stalker, he is always following me trying to catch my attention. I asked him what he was up to but he didn't answer. Some time later he said, "I love you! Let's go on a date!" My respond was "When pigs fly!". I ran away and heard "Every rose has its thorn!"

I couldn't believe that something like that could happen. I had a feeling that something occasion is about to happen. Moreover, my acquaintance told me, "Today is a very unusual day. Astrology predicts that you are going to be surprised." I

got a vast of red roses with a note inside "I love you!" The story is just beginning.
