Задание 24.

Dear ~~my friend~~ <sup>me in future,</sup>

I'm writing to you from 2024. ~~I haven't passed my writing this letter exams yet~~ I am a bit nervous, but I hope that you will be happy to read this letter in 2029.

Do you remember how busy you were five years ago? I am sure that ~~at the moment~~ <sup>in 2029</sup> you are ~~teaching this letter~~ <sup>are extremely busy</sup> you have ~~even more things to do~~ <sup>also</sup> I know how responsible you are. ~~I should~~ <sup>also</sup> I should give you some important advice in order to make your life easier.

It is very important to ~~live a healthy life~~ <sup>maintain a healthy lifestyle</sup>. Because of loads of work to do you don't spend ~~enough~~ <sup>enough</sup> time relaxing and doing sports. Several years ago I started ~~playing~~ <sup>swimming</sup> and ~~playing tennis~~ <sup>physical</sup> and, as you know, my health improved. That's why I strongly advise you to ~~do~~ <sup>do</sup> sports every week to keep fit. I hope you have already won a medal ~~at~~ <sup>at</sup> a competition in your university, haven't you?

Speaking about mental health, go for a walk every day in order to let your brain relax. This will definitely increase your productivity. ~~I am~~ <sup>I</sup> or will also advise you to ~~eat healthy~~ <sup>keep a healthy diet</sup>. ~~Keeping~~ <sup>Keep</sup> ~~healthy diet~~ <sup>eat</sup> Eating more fruits and vegetables ~~and not eating junk food~~ <sup>will positively influence</sup> your ~~mind~~ <sup>body</sup> ~~immune system~~ <sup>system</sup>. Have you already stopped eating ~~so much~~ <sup>so much</sup> sweets and cakes?

Another important advice from 2024 for you will be to do something that you enjoy every day. ~~Do~~ <sup>Do</sup> ~~make that~~ <sup>as</sup> your hobbies will make you happier. ~~and will help to listen to music, read books~~ <sup>and you always will be in a good mood!</sup>

Are you still playing the guitar? <sup>Музыках 4.</sup> If no, try to find some time for that every day, please!

I'm ~~am~~ very pleased ~~to read~~ that several years ago I've ~~found~~ found ~~an~~ a useful ~~one~~ ~~thing~~ self-discipline & strategy which helped me to combine studying and relaxing in the best way. Do you use it in 2029? And what about that great self-care practice which helped me to become more concentrated?

I wish you good luck in you future life!

With Love,

You from 2024
